Note: Photography rate includes cropping, touchups & model per Shoptiques.com requirements.

Note: Photography rate includes all photos required per Shoptiques.com requirements - e.g., tops & bottoms require 2 shots (front & back with additional crops); flowy dresses & skirts require 3 shots (front, back & walking); candles require 1 shot, etc.

Note: No hair & makeup required as photos are cropped above the model's lip per Shoptiques.com requirements.

Note: Approximate rates assume the boutique delivers and picks up ready to wear outfits to the photo shoot.

Note: Photos to be displayed only on Shoptiques.com, the boutique's website, and social media. Rates that include additional usage must be discussed with the photographers.

Note: Assumes 3 day photography turnaround time.

Note: All rates are approximate and subject to change based on private negotiations between photographers and boutiques.
