

Hi {{VENDOR REP'S NAME}},

I'm contacting you because I would like to sell {{BRAND NAME}} on Shoptiques.com, and I was hoping you could send me the high-resolution photos for all of the pieces I purchased wholesale from the {{SEASON/YEAR}} collection.

For the pieces to sell successfully online, the photos must be:

- High Resolution (with a **72 dpi**) images saved as **JPEGs**.
- Sized **larger** than 700 x 1050 pixels, preferable at 1050 x 1575 pixels

When available, please send all angles of the product, including the front angle, back angle, side angle etc. and shots of notable details.

For accessories, please send both images of the piece photographed on its own, as well as any accompanying photos with the model wearing the piece.

To prevent data loss and compression, I would appreciate if you could please send them to me via We Transfer or share them via Drop Box to {{ENTER DROPBOX ACCOUNT NAME}} in a zip file.

Thanks so much! Looking forward to selling {{BRAND NAME}} online!

Sincerely,
{{YOUR NAME}}
