

Hi {{VENDOR REP'S NAME}},

I'm contacting you because I would like to sell {{BRAND NAME}} on shoptiques.com, and I was hoping you could send me the high-resolution product photos for all of the pieces I purchased wholesale from the {{SEASON/YEAR}} collection.

The photos must be:

- High Resolution (**72 ppi or higher**)
- Saved as **.jpg** or **.png**
- Sized at **1050 x 1575** pixels or larger

When available, please send all angles of the product, including the front angle, back angle, side angle etc. and notable detail shots.

For accessories, please send both images of the piece photographed on its own, as well as any accompanying photos with the model wearing the piece.

To prevent data loss and compression, please send these photos to me via [We Transfer](#) or share them via [Drop Box](#) to {{ENTER DROPBOX ACCOUNT NAME}} in a zip file.

Thanks so much! Looking forward to selling {{BRAND NAME}} online!

Sincerely,
{{YOUR NAME}}
